TAFT SWEEPS HOME STATE GOP PRIMARY

Southan, Hunston Republican Commissioner Winners

Leatherberry, Calvin Choice Of Democrats

Coleman Drops Ward In Clerk Contest; Sheriff Renominated

W. A. Southan, former president of East Liverpool City Council, was comfortably assured a place as one of the two Republican nominees for Columbiana county commissioner by massing a vote of 4,850, more than 1,200 over his nearest rival in Tuesday's primary balloting. Seven other candidates fell by the wayside.

Altogether, 17,045 votes were cast in the county primary. Of the total, 12,928 were Republican ballots and 4,114 Democrat.

In the GOP commissioner contest Walter A. Hunston, former East Palestine mayor, received 3,587 votes, barely winning over Galen Bowman who placed third in the primary with 3,519. The two winners will face Democrats C. C. Leatherberry of Wellsville and Erwood Calvin of Columbiana at the November election.

November election. The Democrats received 2,021 and 1,253 votes respectively.

R. W. Huffman, the only other Democrat competing for the post, lost to Calvin by 30 votes and to Leatherberry by almost 800.

Sheriff Renominated

In other county contests incumbent Sheriff Howard J. Clark brushed off Republican opposition by pulling a vote more than three times that of his two opponents combined.

Clark received 8,946 votes while John H. Graham Jr. and Lyle Perkins amassed 1,403 and 1,252 ballots respectively.

Clark will oppose Democrat Harry Gosney, only Democrat running, who received 2,961 complimentary votes. Gosney is a former sheriff.

John W. Coleman, incumbent clerk of courts, easily won out over Norman E. Ward of Lisbon for re-nomination by a total of 7,009 ballots to 4,371. R. Max Gard, lone Democrat seeking the post, received 2,365 votes.

In other races Common Pleas Judge Joel H. Sharp, Republican, was unopposed in seeking re-nomination, as was Probate Judge Louis Tobin, Democrat, and County Prosecutor James L. MacDonald, Republican.

County Treasurer Vincent Judge, Democrat, and County Engineer Charles O. Snyder, Republican, also faced no opposition for re-nomination.

Coroner E. R. Sturgis received a complimentary vote of 10,142. He will oppose Democrat Arnold Devon, single Democratic candidate for the coroner's post. County Recorder Frances W. Morton, Republican, and Elmer Gotthardt, Democrat met no opposition in bids for the recorder's position.

Countians supported State Rep. Clarence Wetzel's bid for congress, giving him a 7,643 vote against 2,703 for Dr. Norman Nygaard, former Presbyterian minister. Ed Griffith of Bergholz polled 1,030.

In the county balloting for state senator, Attorney Donald Elliott of Rogers received 4,120 votes, far more than his three other Republican opponents. The Democrats gave a 1,743 vote to W. H. Daugherty of Wellsville.

Strike Wave Warned By WSB Chief

WASHINGTON (AP)— Nathan P. Feinsinger told Congress tday a rash of serious strikes and industrial "chaos" may result if Congress strips the Wage Stabilization Board of power to recommend settlements in labor disputes.

Feinsinger, chairman if the WSB testified at the House Labor Committees investigation of his agency. Only yesterday Charles E. Wilson, former mobilization chief who resigned in protest against administration handling of the steel labor case, had suggested to the group that the Wage Board's powers should be trimmed down.

Wilson asserted that the WSB went far beyond stabilization policy in its recommendations for a wage rise for steel workers.

Disputing that, Feinsinger said the board's recommendations were fair and were consistent with wage increases negotiated voluntarily in other industries.

Center of a storm of controversy stirred up in Congress over the board's steel decision, Feinsinger went to the capitol after announcing he plans to quit his job by June 30. Feinsinger, on leave from the University of Wisconsin law school, told an audience in Madison, Wis., Monday night he is tired and needs a rest.

The board's recommendation of a 26-cents-an-hour wage increase "package" touched off a history-making wrangle in the steel case which led to President Truman's seizure of the steel mills.

That action is now before the Supreme Court, with arguments scheduled to begin Monday. Pending a final decision, the steel mills are operating under government control.

Florida Hands Kefauver Loss

Farm Vote Gives Russell Victory

MIAMI, Fla. —North Florida's farmer vote today gave Senator Russell of Georgia the boost he needed to defeat Senator Kefauver of Tennessee in this state's Democratic presidential popularity contest.

It was a jolt for Kefauver who hadn't been whipped before in a presidential primary. But the farmers who are Russell's next-door neighbors turned the trick.

Russell's margin was slender throughout the night although he was out in front all the way. The late rural vote counts from yesterday's primary slowly but steadily built up his margin of victory.

The vote from 1,380 of 1,682 precincts: Russell 275,728 Kefauver 249,862.

Russell had 50.7 per cent of the total vote cast in the presidential race to 46 per cent for Kefauver.

The big issue between Kefauver and Russell was the administration's proposed Fair Employment practices Commission which caused a Dixie revolt in the 1948 Democratic convention.

Both men declared their opposition to a compulsory FEPC offered by President Truman as a way to curb job discrimination because of race, color or creed. Kefauver said he would accept such a plank in the Democratic platform while Russell said he was unalterably opposed to what he called a "compulsory jail-sentence FEPC."

Russell insisted, however, he would not bolt the Democratic national convention over the FEPC issue and that he would stay in the convention to fight against it to the end.

In other races, Senator Holland piled up a 6 to 1 victory for renomination over his Democratic opponent, William A. Gaston of Jacksonville, who made no campaign.

On the Republican side, a run-off might be needed to decide the GOP gubernatorial nomination between Harry S. Swan of Miami Shores and Bert Acker of Miami.

City Income Tax To Meet Expenses Studied By Council

The amounts of additional money required by the city for operating expenses have been roughly decided upon and the method of raising them settled, Finance Committee Chairman Fred Koenreich told other councilmen Tuesday night.

Further action on the matters was postponed when Council adopted a motion by Mr. Koenreich that councilmen meet with a committee representing the manufacturers, and the Salem Civic Committee for a general discussion of the proposed legislation.

Although Mr. Koenreich did not specify the amounts the city needed, he did say that, after several meetings, his committee had decided that the most feasible method of procuring the funds would be through some form of income tax.

The tax, he stated, might be imposed on either individuals or business or both.

This factor had not been definitely decided upon, he said, and represented only one of the many facets of the issue which might be settled when Council met with the committees.

In the past, he said, both the Salem Civic Committee and groups representing the manufacturers had made valuable suggestions and contributions whenever the city was faced with a pressing problem.

He stressed that he would attempt to arrange the meeting at the earliest possible moment because of the necessity of increasing the city's revenue as soon as possible.

At previous meetings, Council has been petitioned by city employes for salary boosts, citing the spiraling cost of living as the basis for their requests.

Additional funds would also be needed for a possible revamping of the city's sewage system, a project which councilmen feel should have been undertaken long ago.

Playground Problem

Mr. Koenreich said also that, if possible, Council would like to raise additional funds in time for the children's playground program to proceed this summer as planned. Last year Council had provided $500 toward the cost of paying for the program, with the understanding that, if it proved a success the, city would assume the total cost this year.

The 1952 restricted general fund appropriations, however, forced the exclusion of that fund from the budget.

In other matters Council:

Heard a report by Safety-Service Director J. Arch Harwood on the cleaning of the city's streets and sewers. Mr. Harwood also reported the signs warning motorists against the poor condition of Salem's streets had been posted at the city limits.

Passed the ordinance, after third reading, authorizing the fire department to answer calls to points outside of town, but within a radius of five miles, at a fee of $75 per hour for each piece of apparatus used.

Council Okays Annexation

South-East Blvd. Is New Allotment

Salem City Council Tuesday night adopted a recommendation by Annexation Committee Chairman Carl Abe that the city solicitor be instructed to prepare the necessary legislation for the annexation of the South-East Blvd. allotment in the Franklin Rd. area.

The action was taken after a general discussion on the costs involved to the city and the problem of handling the additional sewage such a project would entail.

City Engineer F. S. Barckhoff told councilmen that, although the disposal plant was operating to full capacity at present, the new allotment would not greatly add to the sewage.

He said that, although the plant was servicing a population twice as large as that for which it was intended, the city's position as a manufacturing, hospital, shopping and school center was the major contributing factor to this condition.

A complete report on the city's situation and suggestions to alleviate it will be presented to Council soon, he added.

Council adopted Mr. Abe's recommendation after Councilmen H. C. Kniseley and Frank H. Byerley, in answer to their questions, were assured that the resulting cost to the city would be only that connected with the extension, when possible, of sewage lines to the area.

Loyal C. Phillips presented the annexation petition to Council at a previous meeting but action was held up on it until further deliberation by the Planning Commission and councilmen.

Council Tables Move To Hire Machinists

A motion by Safety Committee Chairman George S. Bowman Jr. that the city employ two retired machinists to service and repair Salem's parking meters was referred back to the safety committee for further consideration at Tuesday's Council meeting.

Mr. Bowman stated that two such persons could be hired very reasonably, thereby releasing the city policemen now supervising the meters for general police duties.

At the Feb. 5 Council meeting Mr. Bowman had recommended that one additional policeman and two firemen be employed to augment the city's departments. His request was referred to the finance committee at that time.

Safety-Service Director J. Arch Harwood replied that he did not think it feasible to entrust the regulation of traffic and protection of the city to aged men. He said that such action might endanger the lives of both pedestrians and motorists.

Mr. Harwood declared that the policemen now assigned to meter duties were capable, able-bodied men who could be relied upon to handle any emergency that might arise.

The suggestion, he said, was all right from an economic standpoint but otherwise he felt, held no merit.

40 County Children Get Hearing Tests

Forty Columbiana County youngsters with hearing defects were examined Tuesday at the Lisbon Methodist Church at a hearing clinic sponsored by the county board of health and the Ohio Department of Health and Education. The children were picked recently during screening tests conducted as part of the school health program.

Area physicians and experts furnished by the State Department of Health examined the youngsters and Crayton Walker, division administrator for the health department, summarized the findings and consulted with parents.

The staff included Dr. Alexander Fisher of East Liverpool, Dr. F. F. Piercy of Youngstown, Miss Betty Slaight of Columbus, hearing consultant, John Montgomery, director of speech and hearing at Kent State University, and Dr. J. T. Seaton of Columbus, psychologist.

Nurses of the county health department, under the direction of Miss Laura Clark, assisted.

Taft-Pledged Delegates Win Salem Support

2,667 Voters Cast Ballots In City Primaries Tuesday

Salem Republicans endorsed Taft-Pledged delegates 100 per cent, while Kefauver delegates had the major backing of the Democrats in Tuesday's primary balloting here.

A total of 2,667 votes was cast, 2,138 of them being Republicans and 529 Democrats. The vote was 924 more than the total cast in the previous presidential primary in 1948.

Salem returns were counted by 2:30 a. m., despite the long list of convention delegates and alternates.

On the Republican ticket, Salem voters gave Charles P. Taft a 1,163 vote for governor. Thomas Herbert polled 735. Gov. Lausche, unopposed, received a 479 complimentary Democratic vote.

Big Vote For Wetzel

State Rep. Clarence L. Wetzel, running for congress to oppose Democrat Wayne L. Hays next fall, polled 1,309 votes in the Republican balloting here. Far behind Wetzel here was Dr. Norman Nygaard of Lisbon with 428.

In the nine-man county commissioner race, Salem Republicans gave creditable support to Walter A. Hunston, former East Palestine mayor and father of Salem's city solicitor, Jay Hunston. Hunston's vote was 1,218, with Galen Bowman polling 877 and W. A. Southan 586.

Clerk of Courts John Coleman received 972 GOP votes here, agains 871 for Norman Ward.

Other GOP favorites were Ray Palmer for state senator, Delmar O'Hara for state representative and Howard Clark for sheriff.

Democrats turned in 259 votes for Michael DiSalle, running for U. S. Senate. Wayne Hays, unopposed at the primary, polled 413.

In the county commissioner contest, Erwood Calvin of Columbiana received 238 to lead two other contenders. Democrats backed W. H. Daugherty for state senator with 181. Unoppised County Treasurer Vincent Judge led the ticket with 450 votes.

High School Band To Put On Concert

The Salem High School band will present its annual Music Week concert at 8:15 p. m. Thursday in the high school auditorium.

The Salem Junior High School band, which recently received a superior rating in district competition, will open the program with two numbers. Bill Schofield will play a cornet solo, accompanied by his mother, Mrs. Clifford Scholfield.

Bandsmen of the Year, Barbara McArtor and Robert Dunn, both seniors, will play solos between band numbers, while a cornet trio will also perform, announced Director Howard Pardee.

The program is as follows: "Wagnerian March" and "Three Gates of Gold" by the Junior high band; "The Gypsy Baron," a march; "Prelude and Fugue"; "Lithuanian Rhapsody"; "Sequoia"; "Chicago World's Fair," a march; "Dizzy Fingers," played by the first clarinet section; "Carribbean Fantasy"; and "Army and Marine," a march.

Wayne, Beaver School Proposals Are Beaten

LISBON — Wayne Local School District's proposed $35,000 school bond issue was beaten at the primaries yesterday by 1.8 vote margin.

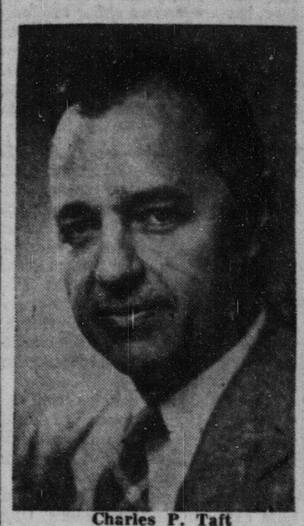

The issue, which required 60 per cent affirmative vote, received 84 ayes and 59 negative votes.

A Beaver School District levy was defeated 580 to 444, but in Wellsville a 4-mill school operating levy passed 1,064 to 270.

Rep. C. L. Wetzel Wins GOP Congressional Primary Race

State Representative Clarence L. "Dutch" Wetzel of Lisbon will oppose incumbent Wayne L. Hays for the U. S. Congress in the November election.

Wetzel, now the Republican majority leader in the state assembly, won out over two Republican opponents in Tuesday's primary balloting in the five-county 18th congressional district.

Final returns, reported at noon today, show the following tabulation:

Wetzel 14,934.
Nygaard 10,549.
Griffith 7,045.

Wetzel, given a warm endorsement in his own Columbiana County, pulled ahead of Dr. Norman Nygaard, also of Lisbon, a retired Presbyterian minister. Griffith is from Bergholz.

In the Republican contest for state senator, Ray Palmer of Barnesville, former state senator, won out over three other GOP aspirants. He polled 11,558 votes against 6,916 given his nearest rival, Attorney Don Elliott of Rogers village.

Jonathan C. Mason of East Liverpool received 6,719 and the fourth contender, E. D. Allen, 3,269.

Winner of the Democratic bid for state senator is Arthur Blake of Martins Ferry, whose 12,983 tally topped the 7,856 given to W. H. Daugherty of Wellsville.

Leads Nine Races

Running only a partial slate, Kefauver won 18 delegate races and was leading in nine others for a possible final total of 27—exactly half of the state's Democratic vote at Chicago.

The Bulkley slate, which got 22 of its delegates elected in the absence of competing Kefauver candidates, actually had won only one direct contest and was leading in four others.

If the trend remained in later counts, the Bulkley group might wind up with 27, tying the Kefauver total.

Charles P. Taft, brother of presidential candidate Robert A. Taft, won the Republican nomination for governor. He will be opposed in November by Democrat Frank J. Lausche, renominated without opposition.

Former Gov. Thomas J. Herbert of Cleveland, his only close rival in a three-man race, conceded defeat at 6:30 a.m.

"I guess the handicappers assigned me too much weight to carry," Herbert told newsmen in Cleveland. He jumped into the race just before the filing deadline last February and his home-county GOP organization endorsed Taft.

WSB, Oil Union Plan Meeting

Feinsinger Asks End To Strike, New Talks

DENVER (AP)— The coordinating committee of the 22 oil unions on strike in the oil industry has agreed to attend a meeting before the Wage Stabilization Board May 13.

WSB Chairman Nathan P. Feinsinger in Washington, D.C., yesterday asked for an end to the strike and renewal of bargaining. The meeting next Tuesday will be to give the WSB a full background on the controversy.

This opened the way for speculation that the WSB, which never handles a case when a strike is in progress, will turn the oil dispute back to President Truman, who will be faced with the problem of whether to invoke the Taft-Hartley law.

This could bring about an injunction barring further striking.

O. A. Knight of Denver, president of the Oil Workers International Union (CIO) which heads the coalition of AFL, independent and CIO unions, wired Feinsinger:

"We regret the board's action at this time and point out that it might cause an immediate breakdown in negotiations, which have been progressing favorably in several areas."

The board turned the dispute back to the unions and management April 16 for more collective bargaining after failure to get hearings under way.

If the strike continues to threaten oil supplies needed by armed forces, the President could set up a fact-finding board as the first step toward an 80-day no-strike injunction under the Taft-Hartley law.

As the strike entered its eighth day with oil refining capacity reduced by a third, the effects were becoming more serious.

Military aviation has been curtailed and a 30 per cent reduction in aviation gasoline supplies for commercial and private flyers was ordered.

Secretay of the Interior Chapman reiterated there will be no rationing of motor gasoline, however.

He said the next step in dealing with developing shortages will be to earmark "specified quantities of suppliers' inventories for emergency use as directed by the Petroleum Administration for Defense."

ELLSWORTH ISSUE PASSES

The only bond issue before Mahoning County voters yesterday was on the ballot in Ellsworth Township, seeking $111,000 for improvements to the school. The issue was passed with an overwhelming majority, 140 to 13.

Sen. Kefauver May Win 27 Dem Delegates

Charles Taft Edges Herbert In Republican Race For Governor

COLUMBUS (AP)—Sen. Robert A. Taft swept the boards today for Ohio's 56 Republican presidential delegates as Sen. Estes Kefauver won at least 18 of 54 Democratic nominating votes.

Taft turned into a landslide victory a home-state primary battle with former Gov. Harold E. Stassen of Minnesota. There were 47 Stassen delegate candidates, most of whom said they would have backed Gen. Dwight D. Eisenhower as second choice.

These smashing results of yesterday's record-breaking vote turnout put the Ohio senator back on top in his race with Gen. Dwight D. Eisenhower for Chicago convention delegates.

Kefauver, defeated by a narrow margin by Sen. Richard B. Russell of Georgia in yesterday's Florida popularity primary, salvaged much of his prestige here. He cracked wide open an Ohio Democratic organization attempt to keep its delegation sewed up under the favorite son banner of Sen. Robert J. Bulkley.

DiSalle, ex-mayor of Toledo, ran with the blessings of President Truman, Mayor Thomas A. Burke of Cleveland and Gov. Frank J. Lausche, who is unopposed for the Democratic nomination to an unprecedented fourth term.

DiSalle's strength made him the likely November election opponent of Republican Sen. John W. Bricker of Columbus, unopposed for renomination and ardent foe of government controls.

Returns from 9,437 of 10,312 polling places in Tuesday's voting gave these results: DiSalle 201,997; James M. Carney of Cleveland 106,838; John W. Donahey of Hudson 95,833 and George L. Mark of Cleveland 29,216.

Gubernatorial race returns from 9,376 polling places: Charles Taft of Cincinnati 350,333; former Gov. Thomas J. Herbert 298,497 and State Sen. Roscoe R. Walcutt of Columbus 97,587.

J. W. Brown Leads

Mayor John W. Brown of Medina pulled to the front of a three-way sprint for nomination for lieutenant governor.

Returns from 8,680 polling places gave: Brown 242,352; Fred J. Milligan of Columbus 221,084 and George V. Woodling of Cleveland 137,985.

Secretary of State Ted W. Brown of Columbus swamped Edward J. Hummel of Cincinnati, who formerly held that office. Both are Republicans.

Returns from 7,931 polling places gave Brown 361,266; Hummel 213,964.

Unopposed for the Democratic nomination to that office was former Secretary of State Charles F. Sweeney of Wakeman.

The other Republican was for nomination for Jan. 1 term on the Ohio Supreme Court. Returns from 4,551 polling places gave Francis B. Douglass of Cleveland 138,274; Willard D. Campbell of Cambridge 94,407.

Taft claimed his near—and possibly complete—sweep of delegates puts him "far out in front" of Eisenhower in total national con-

Quadrennial Meeting Ends

Methodists Refuse To Lift Smoking Ban

SAN FRANCISCO (AP)—The Quadrennial General Conference of the Methodist Church closed a legislation-packed 14-day session last night with a parting shot at smoking.

In the final, fast-moving session, the conference voted to continue the no smoking pledge required of ministerial candidates. It voted against giving full ministerial rights to women, set forth the church's views on war and peace, made a change in the church's social creed, and set up a new board to study social and economic relations.

Church spokesmen said the conference made more major changes in church organization than any since the first conference of the United Methodist churches in 1939. It also handled a record number of legislative petitions.

From a survey commission report on overhauling church structure, the conference chose the least controversial parts and ordered them enacted. It agreed to redraw the organization of the 40,000 local churches, making an expanded official board the administrative authority in each.

The 720 delegates from some 25 countries passed resolutions calling for elimination of racial discrimination and censuring the unofficial Methodist Federation for Social Action, which many churchmen labeled leftwing. They agreed that Negro churches might join white jurisdiction if all parties consented. They decided unordained pastors could administer the sacraments only if they were studying for ordination.

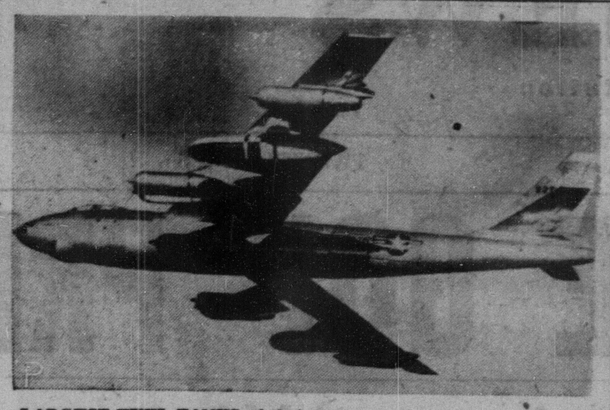

To run church agencies until the quadrennial conference of 1956, delegates voted a record general budget of 11 million dollars for each of the next four years.

Somt of the most bombastic debate came in the final hours. Urging the conference to throw out of the no smoking pledge, the Rev. Dr. John M. Versteeg of Athens, O., demanded:

"Did you ever hear of a man coming home and beating his wife and children because he had too much smoke inside him?"

The Rev. Dr. Cyrus Albertson of Seattle voiced the opinion of opponents when he said:

"It's not so much tobacco use as the impression ministerial candidates will get that somehow the Methodist Church has pulled down its standards."

Ben Fairless Now Full Chief Of U.S. Steel

NEW YORK (AP) — Benjamin F. Fairless took over full direction of the nation's largest steel producer today, following the retirement of Irving S. Olds as chairman of the United States Steel Corp.

Olds retired yesterday from his $211,000-a-year job, and Fairless immediately was named the new chairman of the board of directors.

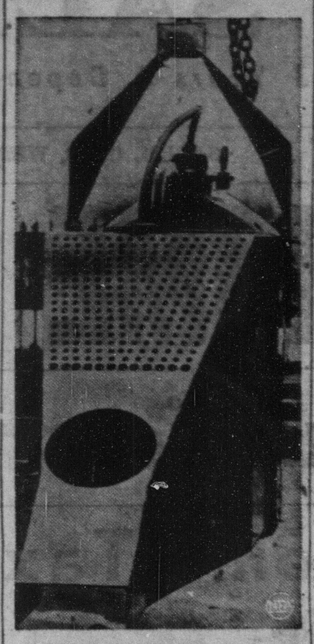

Fearless will continue as the president of the steel industry giant, making him the first man in the corporation's 50-year history to bold both posts. He also was appointed chief executive officer.

Fairless, a coal miner's son, who became U.S. Steel's president at the start of 1938, earned $261,000 with the corporation last year.

The shifts in the corporation's direction were announced here yesterday following the annual organization meeting of U.S. Steel directors.

Olds had been chairman since he succeeded the late Secretary of State Edward R. Stettinius on June 4, 1940. Olds' retirement came just a little more tha nthree months after he reached the corporation's retirement age of 65.

Yesterday's announcement said Olds would continue as a director and member of the corporation's finance committee. A specialist in corporate law, Olds will resume active law practice with the New York firm of White & Chase.

President Blasts Real Estate Lobby

WASHINGTON (AP) — President Truman, approaching his 68th birthday, today contemplated a future of whistle stop campaigning against those he accused of playing right down Sallin's alley.

His targets, he says, will be the appropriations-cutters and lobbyists who have fought him since he first laid down his 21-point program of foreign and domestic legislation in September of 1945. He placed special emphasis on budget cutters he said were "about to ruin the national defense program.

The President put the "real estate lobby" high on his list of targets in a sample "whistle stop" speech last night to a cheering dinner crowd of members of the National Housing Conference at the Hotel Statler.

He called the "real estate lobby" a stubborn and selfish lot and added that "some of them are making their living fighting housingn."

Gambling Tax Ruled Unconstitutional

PHILADELPHIA (AP) — A federal judge's ruling that the six-month-old law requiring gamblers to purchase a $50 tax stamp is unconstitutional appears due for a Supreme Court test.

The law, which also requires gamblers to list all personnel in their employ, was declared illegal yesterday by U.S. District Judge George A. Welsh, on the grounds that it requires an individual to be a witness against himself.

In rendering his decision, the judge said he was not ruling on that section of the law which requires gamblers to pay a ten per cent levy on their earnings.

Welsh commented that his decision would probably be appealed to the Supreme Court.

Later in Washington, Justice Department officials were reported planning an early appeal.

The specific case involved was that of Joseph Kahriger, 36, one of seven men facing trial here on charges of failing to buy the stamp.

Police Hunt Lima Escapees

Clues Meager Toward Whereabouts Of Pair

CLEVELAND (AP)—Police worked with meager clues today in their search for two inmates who escaped from the Lima State Hospital for the Criminal Insane.

Several scraps of paper left in the first of two cars used by the pair in making their getaway were examined by police experts. Both men were described as dangerous and unpredictable.

The two, Neville Slusher, 24, and Floyd Keith, 23, both of Cincinnati, broke out of the hospital Monday night after overpowering two guards with an ice pick and a knife.

Police Chief Inspector James E. McArthur said the pieces of paper appeared to be the remains of a letter and might show why the pair headed for Cleveland.

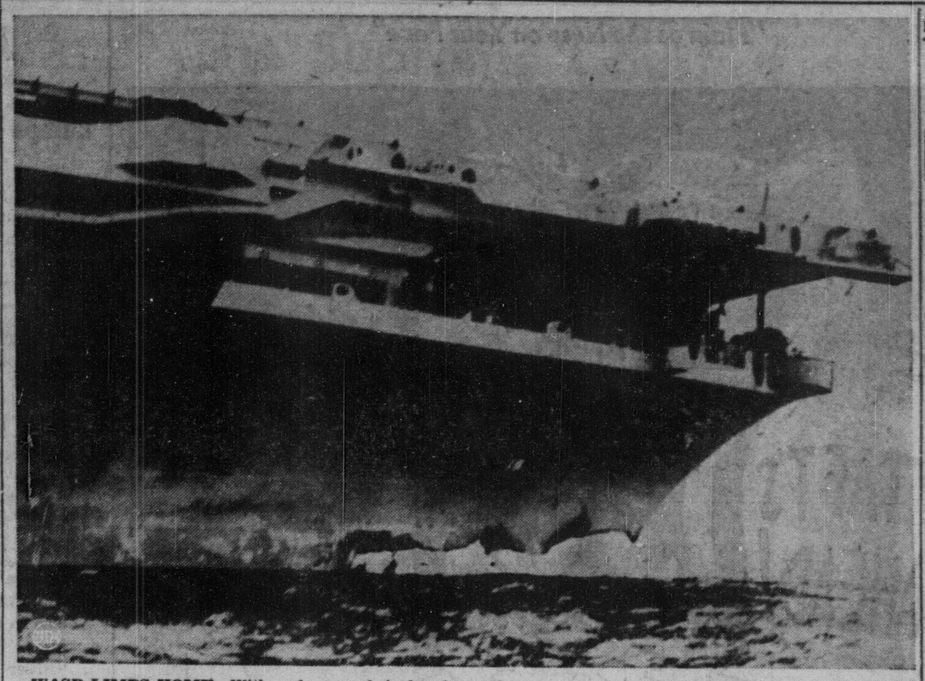

"They might have a friend here who had written to them," he added.

Police of three suburban communities joined Cleveland authorities in combing the Strongsville-Berea-Middleburg Heights area.

The two forced one of the guards they overpowered, Wilbur Hardin, 54, to accompany them in his car. Whenthe car broke down near Middlepoint, they tied up Hardin and seized a car owned by Ralph Warnecke, 27, who had stopped to offer assistance.

Warnecke then was forced to drive them toward Cleveland. After the three reached a point in wooded Metropolitan Park near here, Warnecke was tied to a tree and his wrist watch and wallet containing $40 were stolen.

Warnecke's car in which the two escapees then drove away, later was found abandoned at Strongsville.

WASP LIMPS HOME—With a deep gash in her bow, the aircraft carrier Wasp heads slowly for New York. The carrier collided with the destroyer-minesweeper Hobson during mid-Atlantic night maneuvers. The Hobson sank with a loss of 176 lives, and the Wasp is returning with 61 crew members from the ill-fated ship.

The Mother-Daughter banquet for the Women's Society of Christian Service was held in the Methodist Church Friday evening. Spring flowers decorated the tables with approximately 80 in attendance. The program, in charge of Mrs. E. K. Barss consisted of a welcome by the president, Mrs. Alton Bye. The daughters sang a welcome to the mothers and the mothers responded in song; Tom and David Kertis, accordion duet; Mrs. Harold Wulf,toast to mothers; Mrs. G. H. McDonald toast to daughters; Mrs. Robert Risbeck and Miss Martha Redman,vocal duet accompanied by their mother Mrs. Leonard Redman; Mrs. Lea Bennett, gave the "Origin of Mother's Day"; Mrs. Ray Greenamyer vocal solo; and, concluding with a candle light service for all.

Prizes were awarded Mrs. Eva Sommerville, Mrs. Thomas Carr, Mrs. Phillip Bush and Mrs. Joann Bush. The social committee was composed of Mrs. L. S. Strawn, chairman, Mrs. A. E. Bailey, and Misses Gladys Beitler and Myra Amstutz.

The Brownie Scout Troop celebrated the second birthday anniversary with their mothers as guests at a party. The meeting was opened with the Lord's Prayer.

Girls participating in the flag ceremony were Judy Davis, Joan Easton, Norma Phillips, Susan Blythe and Mary Linder. New Brownies are Sue Ellen Ernst, Linda Wyss, Leanna Bell, Bernice Gidley, Donna Phillips and Marjorie Kerr.

Girls receiving pendants for two year Scouts are Mary Lou Barclay, Karen Israel, Betty West, Martha Whitcher and Jean Meissner.

The girls receiving pendants for one-year Scouts were Evelyn Hanna and Sandra Malmsberry.

The new committee members are Mrs. Albert Hanna, chairman and Mrs. Kenneth Wyss. Continuing members are Mrs. Herbert Whitcher, Mrs. Carl Linder and C. G. Long.

Retiring committee members are Mrs. Myron West, Mrs. J. W Hanna and Mrs. Emil Meissner. The leader, Mrs. Joseph Bush, thanked the continuing members their help.

For the entertainment, the girls divided into five groups and each group gave a puppet skit. The girls made the puppets. A gift exchange was enjoyed by the group. Mrs. Frank Easton had charge of the refreshments, with the new Troop Committee assisting. Mrs. Bush, leader, is assisted by Mrs. Frank Easton and Mrs Alva Tetlow.

Miss Martha Bush of Salem entertained at a family gathering at the home of her brother and sister in-law, Mr. and Mrs. Joseph Bush. The event honored her mother, Mrs. Florence Bush of Salem.

Guests were present from Damascus, Salem and Lisbon. A social time was enjoyed and a lunch, featuring a birthday cake, was served.

The Brownie Scout Promise was given when members met Wednesday. Registration cards were distributed, the girls talked about camp, and learned new songs. The meeting closed with the Friendship circle and taps.

Mrs. J. W. Hanna accompanied her mother, Mrs. Irving Megrail of Salem and attended a mother-daughter banquet of the Salem Women's Society of Christian Service Thursday evening.

Miss Marjorie Mayer, returning missionary from Nagasaki, Japan, was the speaker. Miss Mayer is the daughter of Rev. Sydney Mayer and granddaughter of Rev. R. Mayer, both former pastors of the Salem Methodist Church.

Mr. and Mrs. Dwight Phillips were dinner guests of Mr. and Mrs. Eli Phillips of East Goshen recently.

Mrs. H. O. Stanley, in company with Mrs. Etta Heston of Kensington spent Thursday in Youngstown on business.

Mrs. L. L. McCluggage, Mrs. Joe Rich and Mrs. John Aidner spent Wednesday afternoon with Mrs. C. E. Stanley.

Mrs. M. F. Griffith underwent an operation at the Salem Central Clinic Friday.

Rev. C. R. McPherson is holding Evangelistic services in the Wesleyan Methodist Church in Warren. Rev. Delmar Kaufman is the pastor.

All Pure On The Potomac

In an address to the National Civil Service League and the Society for Personnel Administration late last week, Harry Truman hit an all-time low of distortion.

His opponents, he charged, were filling the air with "downright lies" about corruption in his administration. He then suggested that people who talk about thievery, sale of favors and such men as Alger Hiss are undermining the Bill of Rights.

Since that strikes millions of Americans in a tender spot, Mr. Truman's warped indictment undoubtedly will be answered with strong convictions.

Two points of rebuttal are especially strong.

It was not a case of mistaken identity when the Whittaker Chambers expose turned up Alger Hiss with red on his hands. Had it not been for the astute handling of the whole Communist scandal, half a dozen others like Hiss would have been turned up.

Their was neither mistaken identity nor falsehood in the scandals which broke over the Bureau of Internal Revenue and the Reconstruction Finance Corp. Nor was there any mistaken identity when Mr. Truman, himself, finally became so disturbed he asked Newbold Morris to come to Washington to investigate the mess and start a cleanup.

Mr. Morris did not last long—not because there was nothing to investigate but because there was no one willing to be investigated. When he was fired it became a certainty that the Truman administration would brazen out its record of being easy on easy-money operators—as easy as the Roosevelt administration had been on Communists.

Source Of Motion

Any calculation of the nation's most vulnerable spots would place the oil industry first. A prolonged strike of refinery workers is more to be feared than any other single eventuality, with the exception of a crippling strike in the electric industry.

Petroleum is the prime source of motion. Every ship in the Navy as well as most of the locomotives on railroads use oil. Without a continuous flow of fuel from the refineries, all airplanes and all trucks and buses would be immobilized.

Passenger cars, which give America the mobility which makes dispersion of industry possible, would be motionless. Farm machinery would stop. The list is long and varied; petroleum has been made a basic necessity by heavy reliance on internal combustion engines.

Its importance is an established fact. Not so well established but becoming better established is the importance of industrial relations in the oil industry. Tentative steps are being taken to set up industry-wide bargaining, whose breakdown would precipitate an automatic and violent crisis.

While public attention has been riveted on steel these last few weeks, the threat of a long tie-up in oil has been greater, even though given less notice.

May Rush

Everybody gives a passing thought at Christmas-time to the harassed clerks in department stores. But in Maytime, scarcely a thought is spared for harrassed clerks in seed stores. Herewith, a thought is spared.

The May rush is a phenomenon apart — a mass speed-up, in conflict with the inertia of spring fever. Everything needs doing at once—screens, lawn-mowing, digging, weeding, leveling, planting, uprooting and luxuriating.

In the space of a few weeks, a seed store is called on to answer the varied demands of those who want to plant something, those who want to kill something then didn't plant and those who want to stimulate something they did plant which isn't doing too well.

Parallel with the urge to fix up the outdoors over the warm weekend in May is the urge—rather the command—to get busy indoors with sponges, wallpaper cleaner and paint brushes. The May rush overflows from the seed stores into the paint stores, hardware stores, wallpaper stores and, eventually, the drug stores—for balms and sedatives. They represent the penalty for trying to do too much at once, just as the January doldrums balance accounts for overdoing at holiday time in December.

Everybody can solve everybody else's problems—but have you noticed how many wrong answers there are?

Ecology and neckology are both appropriate terms for use in reference to the study of park wild life.

The average dream lasts about five seconds, says a doctor. That isn't what the cosmetic ads say.

The Supreme Court

By DAVID LAWRENCE

Its Decisions Sometimes Misconstrued

Although the American people are not often aroused on a constitutional issue, when there is a widespread discussion of what the Constitution really says it is a remarkable thing to note that even in the national capital there are misconceptions of just what the supreme law of the land does define as the powers of the President, the Congress, and the judiciary.

During the recent argument in the district court here over the so-called "inherent powers" of the presidency, there were legislators in Congress who actually insisted that in an emergency the President could do almost anything. It is true that Mr. Truman, in a letter published a few days ago, restricted somewhat the argument that had been made by the assistant attorney general, but Mr. Truman did not retreat from his basic position, which is that in a national emergency the President has the power to do what he thinks best.

—:—

UNFORTUNATELY, except among constitutional lawyers, there is little knowledge generally as to the nature and scope of the Supreme Court decisions of the past interpreting the Constitution. Indeed, in recent years there has been a tendency, particularly among the radicals and the New Dealers, to argue rather flippantly that "the Constitution is what the judges say it is." This particular quotation—which was originally used in a speech by Charles Evans Hughes when he was governor of the state of New York and before he went to the bench—has been widely misrepresented. This correspondent, in a conversation with the late chief justice, heard him complain rather bitterly at the distortion of that phrase by opportunists.

What Justice Hughes was trying to argue in his speech on the stump was an entirely different point, and the expression was used in a literal sense at that time—namely, that the Supreme Court had interpreted the Constitution in a particular case to which he referred and that therefore their decision was the supreme law. The Constitution, of course, is what the words and phrases of the articles in that great document say is the supreme law of the land.

—:—

IT IS AMAZING how little known are the pronouncements of the Supreme Court of the United States on the subject of powers during an "emergency."

President Lincoln during the Civil War took an action which the attorney general later sought to justify as due to an emergency, and when the case—known as "ex parte Milligan"—was decided in 1866, the decision handed down at that time became a landmark in America, because it pointed out that, while as commander-in-chief the President has the power to command the armed forces and to conduct military campaigns, he does not have the power to violate civil rights. The Supreme Court said in that case:

"The Constitution of the United States is a law for rulers and people, equally in war and in peace, and covers with its shield of protection all classes of men, at all times, and under all circumstances.

"No doctrine, involving more pernicious consequences, was ever invented by the wit of man than that any of its provisions can be suspended during any of the great exigencies of government. Such a doctrine leads directly to anarchy or despotism, but the theory of necessity on which it is based is false; for the government within the Constitution, has all the powers granted to it which are necessary to preserve its existence."

—:—

WHAT IS NOT generally known, also, is that many laws are passed and many executive acts are from time to time performed which are not challenged in the courts, and hence there is no opportunity to determine whether or not they are within the Constitution. Thus, the Department of Justice recently contended as justification for the seizure of the steel plants that several times there have been plants seized in the past. Justice Pine disposed of that contention by pointing out that at no time had the acts been challenged, and hence it could not be said that they had been legalized.

It is not widely known, moreover, that any act which is believed to be unconstitutional can be challenged and even disobeyed, but the person who is bringing the challenge runs the risk, if the act is upheld, of paying the penalty for having disobeyed the law. This is one reason why, even though an unconstitutional act may be believed to have been committed, it is a question whether the persons affected are always willing to spend the money and take the risks involved in litigation.

Jones Still Leading

By TRUMAN TWILL

The longer an ordinary scrounger, say in the newspaper business, thinks about the government weight which has been flung around in behalf of people who work for the steel industry, the more ordinary he feels.

It has been made crystal-clear from the outset that the purpose of this activity was to make it possible for the steel employes "to catch up." It has been left conveniently vague about whom they were catching up with—perhaps the Joneses. But there was no doubt about their claim on government intervention.

Here is a fascinating thought for all the millions of Americans who must do their own catching up and keeping up with no boards or commissions assembled in solemn conclave in Washington to take charge of the project.

Much depends, obviously, on what kind of a pace is set in a catch-up race. One of the most sensational things which ever happened in the United States was the announcement of a policy by Henry Ford nearly a generation ago that his company intended to pay factory workers $5 a day. That was a pace!

It set in motion the most furious catch-up race in American economic history. It was the beginning of the era of mass production and mass consumption. Ford's discovery that automobiles could be manufactured on a stereotype principle by the tens of thousands and sold for a fraction of what it cost to make them one at a time was a historic event.

Savings were passed on to the customers, many of whom were Ford's own $5-a-day employes. As his business picked up, everybody else had to pay $5 a day to keep employes from going to Ford, who needed them. All that happened a long time ago. No one in Washington ever told Henry Ford he had to pay $5 a day; it was his idea.

What happens after government starts to decide who should catch up, when the catching up begins to be downhill? Or is it going to be always uphill?

And who determines whose catching-up is the responsibility of the government and who should be left to shift for himself in these matters?

Will war veterans, pensioners, widows, public employes and all the other millions who have been losing out instead of catching up eventually have their cases carried up to the U. S. Supreme Court?

Who is going to do the front-running so all the rear-runners whose God-given right of pursuit has become the main worry of a couple bureas full of catch-up experts will have someone to catch up to? And, to repeat, when the race begins to be run the other way will the experts then reverse their field and demand that those who are ahead reverse their fields too and chase the one bringing up the rear?

There are enough angles in this catch-up theory of economic equity to cross up everybody when you stop to think about it. Who's chasing whom?

William Tecumseh Sheman, Civil War general, was born in Lancaster, Ohio, on February 8, 18120. His birthplace is now a state memorial.

Ohio is the only state that has completely liberalized its fishing laws. There are no restrictions on the number or size taken, and no closed season an any species.

Cincinnati is still a great meat distributing point, but during the Civil War era it was the largest pork packing center in the world.

"Plain as the Nose on Your Face"

Democratic Republicans

By GEORGE E. SOKOLSKY

Two theories appear concerning the widespread participation of Democrats in the Republican primaries:

1. That the Republicans cannot elect a President without the aid of Democrats or "independent" voters. Therefore, the activity of Democrats, wherever lawful, in Republican primaries foretells the election of the Republican candidate who can attract to himself Democratic voters;

George E. Sokolsky

2. That the Democrats have devised a means for nullifying the Republican primaries, so that the Republican candidate is chosen not by his partisans but by those who seek his defeat on election day.

Theory No. 1 represents the Eisenhower position; theory No. 2, the Taft position.

—:—

ACROSS BOTH runs the disclosure of Sam Rosenman that Franklin D. Roosevelt and Wendell Willkie were developing plans for a coalition party under their apparent joint leadership. It could only be apparent, not real, because as Roosevelt was actually in the White House, he would be top man in such an arrangement and the Wilkie Republicans would necessarily have been absorbed by the Roosevelt New Dealers. It was a plan for the obliteration of the Republican Party.

Again, it must be born in mind that the original Eisenhower supporters planned for him to be nominated by both the Democratic and Republican parties. General Eisenhower is reported to have told General MacArthur in Tokyo that he expected to be nominated by both parties. At that time, the principal manager of General Eisenhower's boom was George Allen, Democrat and associate of Harry Truman. The plan seems to have been a continuation of the Roosevelt-Willkie scheme for the capture of the Republican Party by the Democrats by infiltration and absorption.

Further, in the development of this plan is the enervating slogan: "Taft is the best man, but he cannot win." As the Republicans have not won an election since 1932, this slogan, widespread and continuous in its use, has frightened many Republicans who would prefer to win under any circumstances. The slogan has encouraged many Republicans to believe or hope that if they had a candidate for whom Democrats would vote, they could win at long last. Even if the Presidential candidate were not quite a partisan, the Senate and House would become Republican as the result of a landslide.

—:—

THE DIRECTION of these movements is toward a one-party system such as Mussolini developed in Italy, Hitler in Germany, and such as now exists in each of the Soviet countries. There is nothing sacrosanct about the two party system, except that it actually serves the people better than the multi-party arrangement, such as exists in France where governments topple overnight, or the one-party system which enlaves the whole people to a self-perpetrating elite.

In this country the two party system has been developed to a greater efficiency than anywhere else, for the opposition party not only is capable of forcing the majority party to disclose its purposes and activities to the people, but by minority representation on the committees of both houses of Congress, the minority party is never without responsibility.

The reduction of the two-party system to a farce, as it must be when the members of one party vote in the primaries of the other party, could, in time, alter the political procedures of the country by making, let us say, Republican candidates for a nomination dependent upon Democrats. It is like boss Hague of New Jersey selecting, in the good old days, both the Democratic and Republican candidates for Governor—so that no matter who won, Hague managed.

When it is coarsely stated in terms of a Hague overlordship, it is represensible to most Americans. But when the process is refined into Democratic voting in the Republican primaries, it does not appear to be so offensive. Actually it is worse, for it involves a subversion of the concept of the primary.

—:—

THE TREND among bankers and big business men to support a one-party system is characteristic of their revolt against the professional politician, who is no longer dependent upon them for funds. Democratic politicians get their money from labor unions and liberals; Republicans find campaign funds more readily in the Middle West and in Texas than in Wall Street and Pittsburgh. The bankers and business men therefore seek a coalition of influence, which can be a one-party system set up by them.

Their error is that Fascism is as abhorrent to the American people as Communism.

Hearing Aids Can Be Help

Too many people who have lost some of their ability to hear well put off using hearing aids. Sometimes this is because they do not know their hearing has suffered. Often the family and friends of a person who is slightly deaf become aware of the hearing difficulty long before the patient does himself.

Many people who are slightly deaf for some reason feel that wearing a hearing aid hurts their pride. This is curious, because it is no more the patiens's fault when the hearing becomes less acute than it is when one develops defective vision and wears glasses.

Loss of hearing of different tones usually is not equal, just as hearing loss may not be equal in both ears. Many people, for example, can continue to hear low tones just about as well as ever even after their ability to hear high tones has become seriously impaired.

Hearing is often better some days than others. A person who is slightly deaf may be able to hear spoken voices well in a relatively quiet room, but may hardly be able to hear anything when there is noise in the background, such as the noise of street cars or elevated trains.

Hearing for such things as symphonic music may be retained after ordinary business conversation has become exceedingly difficult.

Several manufacturers have acceptable instruments on the market. There are several varieties and models to choose from. Whether or not the manufacturer or agent supplies an adjustment service for those whose instruments require it is one of the factors to be used in picking a hearing aid.

In choosing a hearing aid, it is important to pick one which is, or can be, adjusted to the peculiar defects in hearing of the person who wears it. The Council on Physical Medicine and Rehabilitation (American Medical Association, 535 North Dearborn St., Chicago 10, Illinois), has prepared a list of acceptable hearing aids.

The adjustment to the individual requires some knowledge of the degree of hearing loss and the nature of it. That is, whether the loss is greater for some tones than for others.

An electrical hearing aid has many intricate parts and even if adjusted to the hearing of the wearer at first, it may require additional adjustment later on. The batteries which supply the electrical energy have to be kept up.

A hearing aid is sometimes worn for a while with satisfaction and then discarded because it does not seem to continue to supply the benefit which it did at first. This is not always the fault of the device and sometimes all that is necessary is suitable adjustment.

Questions and Answers

Q—How were umbrellas first received in Colonial America?

A—The early users of umbrellas were sometimes severely criticized for trying to defy the will of God Who made the rain.

Q—Does English law forbid the King to visit Commons?

A—English law forbids the king to visit Commons, for it was here in 1642 that King Charles I appeared to arrest his political enemies.

Armistice

By HAL BOYLE

Europe Vets Weren't Over-Elated

NEW YORK

Seven years ago this week the guns ceased fire in Europe, and a way of life they never wanted ended for millions of Americans.

It was the way of war.

The news had been expected along the front for days, the linkup of the American and Russian forces along the Elbe River had made a German surrender only a formality.

Hal Boyle

But when word of the final surrender did come it raced through the battle lines like a surf of joy.

Yet in the hour of victory there was a strange lack of wild elation among the combat trilps. They had fought too lang ond too hard for this moment, and they were overtired.

And in most soldiers' hearts there was this worry:

"Hitler is down, but Hirohito is still to go. Will I have to go to Japan now?"

—:—

IT IS NO CRITICISM of the courage of these troops to say that most of them had no enthusiasm for a long journey to the Far East and more fighting there. They felt that Europe had been their war and they had won it. They had lost many friends along the march from Normandy to the Elbe. All they wanted was to go back home and pick up the life they had left behind—to be again as they had been before.

It was this feeling—the doubt as to whether they would be ticketed to the U.S.A. or Japan—that accounted for the little general jubilation over the end of the European war.

Some soldiers wiped their eyes at the news. Some fired their carbines into the air—and immediately got bawled out for wasting ammo. Some went absent without leave. Some dug out hidden bottles of French brandy and got roaring tight. Some went off and sat by themselves and thought of buddies who hadn't made it all the way.

—:—

BUT MOST OF THE MEN just gathered in small groups and talked it over—and there really wasn't too much to say.

I remember that night . . . the sweetness of search slept on in safety . . . tracer bullets lofting lightly up through the darkness as someone growled "there's another trigger-happy fool celebrating" . . . cigarette butts glowing and dying like fireflies in the lips of men stretched flat on their backs and staring up at the sky and thinking long, long thoughts of those away.

Already this mighty army, its task done, was beginning to disintegrate. The men no longer were thinking of the common goal ahead—a river to be crossed, a ridge mass to be stormed and taken. They were being pulled apart by the tugs of peace, the possibility of going back to their own private lives.

—:—

ONCE ITS GOAL IS GONE, an army is gone. The breakup of the vast American fighting machine began that night of victory seven years ago in Europe.

The army came home, disbanded, and built more homes and families and had more children than any army in history.

"What did you do in the last war, daddy?" asks a small son of one of these combat veterans.

And today—seven years later—daddy looks at the puzzling picture in Europe, scratches his head, and wonders himself.

"Well, I whipped Hitler," he finally ventures.

"Who's Hitler?" demands his small son.

Story Of European Travels Told To Presbyterian Women

The fascinating story of her seven years spent in Europe as a member of the staff of Ambassador Robert Murphy was told by Mrs. T. E. Dixon at the meeting of 60 members and guests of the Presbyterian Evening Committees Tuesday evening in the Church.

Proper appreciation of her own country and a clearer insight into the problems of the countries she visited was expressed by Mrs. Dixon. As a member of the ambassador's staff, the speaker was privileged to go places few people have visited.

One of the first women in Germany after the occupation, Mrs. Dixon told of the devastation there. Most amazing was her story of what they saw in Moscow when the diplomatic staffs of the world met in the huge Red city to draw up peace treaties.

She told how seven million people live in Moscow in abject poverty. The only regal portion of the city is in a narrow circumference about the "red square." Streets are paved just short distances and the rest of the city squats in dirt, peasant-style, and oftentimes in a sea of mud.

Mrs. Dixon, who has lived in Salem since February, was in Europe for seven years, stationed at various times in England, Germany, France and Russia.

Edwin Griffiths, son of Mr. and Mrs. Donald Griffiths, entertained wit hthere piano selections.

"Christian Fellowship" was the topic of the devotional service conducted by Mrs. Elmer Kerr. Mrs. Bryce Kendall introduced the speaker and Mrs. Eugene Early presided at the general meeting.

The opportunity project for Presbyterian women all over the United States was discussed by Mrs. Thomas Mercer. "A Pint of Pennies for Palmer" is the slogan in the campaign to raise $150,000 this year for the building of a mission hospital in Palmer, Alaska. Each committee is expected to contribute a pint of pennies.

Announcement was made of the mother-daughter banquet at 6:30 p. m. Friday in the church. The men will serve the dinner and Miss Iona Geckler of North Canton will tell of "The Shaker Adventure."

Meeting in separate business session were May Committee members headed by Mrs. Alfred Fitch and Mrs. H. D. Harris; June, Mrs. Norman Pim and Mrs. Rex Hundertmarck; July, Mrs. Orrick Robinson and Mrs. Raymond Reich, and August, Mrs. Thomas Mercer and Mrs. Rolin Herron.

May Committee members, with Miss Margaret Bryan chairman, were hostesses. Mrs. Dorothy Crook presided at the punch bowl when refreshments were served at a beautifully appointed table. Tulips and lilacs were combined in the fragrant center arrangement.

John Rebenack, librarian will be guest speaker at the meeting June 3.

Millville Circle Has Coverdish Dinner

A coverdish dinner was held Monday at the home of Mrs. Elden Oler in Winona by the Alena Calkins Missionary Circle of the Millville Community Church.

Mrs. Jerry Lippiatt presided at the business meeting where 25 persons were present. Mrs. William Moore led the devotionals and Mrs. Carl Lippiatt was in charge of the program.

The ladies spent the day making hospital gowns for the Friends Rescue Mission Home. The Jan. 10 meeting will be with Mrs. George Smith on the Washingtonville Rd.

Fehr, president.

Washingtonville Scouts Tour Leetonia Plant

A tour of the Berg Bretzel Factory in Leetonia was made by the Brownie Scout Troop from Washingtonville Tuesday afternoon. The girls sampled different products as they came from the machines. Each was given a sample of merchandise to take home.

Mrs. Thomas Walter had charge of the meeting in the basement of the Methodist Church preceding the trip to Leetonia. The girls were transported by Mrs. Ray Davis and Mrs. Albert Weikart.

The meeting next Tuesday will feature a hike and a picnic supper.

Couple To Observe 25th Anniversary

Mr. and Mrs. William J. Scullion of 445 E. Seventh St. will celebrate their 25th wedding anniversary Sunday. They will be "at home" to receive friends and relatives from 3 to 5 and 7 to 9 p.m.

A mass of thanksgiving will be sung at 7:30 a.m. at St. Paul's Church and a family dinner will be enjoyed at Wee Farm.

Katherine Dowd and William J. Scullion were married May 11, 1927 at St. Patrick's Church in Leetonia. They have resided in Salem since their marriage.

They are the parents of two daughters and two sons: Mary Catherine, fifth grade teacher in Cuyahoga Falls Sill School; William Jr. of the 330th Band Co., Camp McCoy, Wis.; and Thomas and Sarah Eileen at home.

They are members of St. Paul's Church. Mrs. Scullion is also a member of the church's Altar and Rosary Society and the L.C.B.A.

Mr. Scullion is general maintenance foreman at Mullins Manufacturing Corp. and is a member of the Foremen's Club. He also belongs to the Knights of Columbus.

Arrive In Japan

Mrs. George Kirby and daughter, Margaret Ann, have arrived in Japan to join Capt. George D. Kirby, husband of Mrs. Kirby, who has been stationed there 14 months. Mrs. Kirby is the daughter of Mr. and Mrs. Robert Umberger of 614 Superior St.

Jaycees To Plan Event

Plans for attending the state Jaycee convention May 9-11 in Cleveland will be discussed when Junior Chamber of Commerce members meet at 6:30 p.m. Thursday at the Lape Hotel. Fifteen members will attend the state event.

To remove paint stains from white cottons or linens, scrape off as much fresh paint as possible. Soften with vaseline. Then, soak in pure turpentine, rub occasionally. Wash in warm suds. Rinse.

Mothers Club Elects Mrs. Allen Chandler

Tuesday was primary election day in Ohio and also election day for members of the Progressive Mothers Club who named Mrs. Allen Chandler to succeed Mrs. D. J. Smith.

The evening meeting was held in the home of Mrs. Lester Bateman on Highland Ave. Other officers elected were Mrs. Thomas Crothers, vice president; Mrs. George Boeckling, secretary, and Mrs. Kenneth Kuhl, treasurer.

New officers will be installed in June and Mrs. Glenn Broomall, Mrs. James Giffin, Mrs. Kuhl and Mrs. Howard Trotter will arrange the affair.

Program chairman was Mrs. Walter Gray. She introduced Miss Rose Piper of East Palestine, a registered nurse and city health nurse, who told a number of interesting experiences of her work. She also explained the duties of the school health department, of which she is a member. Miss Piper is a graduate of Salem City Hospital School of Nursing.

Mrs. Thomas Crothers read a poem, "A Mother's Prayer," and Mrs. Richard Wilson read a humorous article on "How We Kept Mother's Day." The meeting was highlighted by a secret pal gift exchange.

Mrs. Don Reichert served refreshments to 22 members and guests, using a springtime theme. The next meeting, May 20, will be at the home of Mrs. Hugh Kells on W. 10th St.

Harris Class Enjoys Presentation Of Skit

"He Even Hides Within The Lily," a skit directed by Doris Miller, was presented to the Harris Class of the Christian Church at their meeting Monday evening at the church. Barbara Lozier, Jerry Garlock and Jante Bates portrayed the characters.

Marilyn Cameron and Janet Bates sang "My Dearest Prayer," accompanied by Mrs. Burrows Jones. Mrs. Leroy Bates was in charge of the program.

The business meeting was held with Russell Stallsmith presiding. Mrs. Fred Rogers led the devotionals.

Lunch was served by Mrs. Clifford Zimmerman, Miss Ann Moore and Mrs. David Beery. The June 2 meeting will be held at the church.

Institute To Be Conducted By County P.T.A.

The Spring Institute of Columbiana County Parent-Teachers Association Council will be held at the new West School at East Rochester Thursday.

A panel discussion on "When 15 and 50 Meet," will be held in the afternoon. Members of the panel will be Rev. Raymond Baldwin of West School, Mrs. Mary Bell of Fairfield, Mrs. Helen Fiebanthal of Glenmoor and Harold Morrow of West School will be moderator. Music will be previded by the West School band.

An executive meeting will follow with the election of county officers. V. J. Ullman, superintendent of Lisbon schools, is chairman of the nominating committee.

A dinner will be served by the P.T.A. from West School.

Dr. Edna Oswalt, head of the department of special education at Kent State University, will speak in the evening on, "Emotions of Our Children." She is a professor of psychology and state chairman of the P.T.A. study course.

Music will be by Miss Delight Arbaugh of Wellsville and Mrs. Ellen Bruer and Mrs. Catherine Dungan of Negley.

Highlight of the evening will be the installation by Mrs. Smith Whitter, state P.T.A. officer, of the council officers and unit officers belonging to the county council.

All area P.T.A. members are invited.

"Fresh Variable Winds," a playlet, will be presented by the Fairfield Study Group.

Couple's Wedding To Be Open Church

Custom of open church will be observed as Miss Bonnie Jean Ruble becomes the bride of Roy E. Samuelson at 7:30 p.m., Saturday at the Winona Methodist Church. Rev. Thomas Hammerton and Rev. Sherman Brantingham will officiate at the ceremony.

Miss Ruble is the daughter of Mr. and Mrs. Earl N. Ruble, RD 1, Hanoverton. She graduated from Salem High School and the City Hospital of Akron School of Nursing.

Mr. Samuelson, the son of Mr. and Mrs. Hugo Samuelson of Torrington, Conn., is a graduate of Tufts College, Boston, and is a field representative of the Goodyear Tire and Rubber Co.

Couple Returns From Honeymoon

Home from an Eastern honeymoon trip, Mr. and Mrs. Earl Mead Jr. are now at home to friends at their newly furnished apartment at 352 W. Clark St., East Palestine.

Mrs. Mead is the former Betty Bowles, daughter of Mr. and Mrs. Floyd Bowles Sr., of S. Walnut St., East Palestine, and Mr. Mead, the son of Mr. and Mrs. Earl Mead Sr. of Liberty St., East Palestine.

The wedding ceremony was performed at 7:30 p.m. Friday, April 25, at the Methodist Church there, with Rev. Carl Asmus officiating.

The bride was becomingly attired in a gown of marquisette, worn over satin, designed with a snug fitting bodice and round neckline with lace ruffles, which gave an apron effect. Her veil was trimmed with ruffles of lace which harmonized with the trim of her bridal gown, and her bridal bouquet was an orchid surrounded by carnations.

Lovely also were the attendants who were attired in pastel shades. They were Mrs. Janice Harvey as matron of honor and Mrs. Eleanor Dugan and Mrs. Mary Widdowfield as bridesmaids.

Murrell Dugan, brother-in-law of the bridegroom, served as best man and ushers were Floyd Bowles Jr., William Springer, Chester Harvey and Paul Widdowfield.

The bridal table, for the reception at which 200 were received, was laid with a linen cloth and centered with a four-tiered wedding cake encircled by yellow and white spring flowers.

Secret Truce Talks End; Reds Turn Down Final Allied Offer

WASHINGTON (AP)—The end of secret talks at Panmunjon cast doubt today over the whole future of negotiations for a truce in Korea.

A complete collapse of negotiations and a resumption of full-scale fighting could follow the latest critical developments, but authorities here did not foresee that as an inevitable result.

There was considerable speculation that some contract between the negotiators might be maintained, or that a stalemate in the fighting might continue indefinitely even without active efforts to reach an armistice.

The Communists seemed willing enough to continue negotiations, refusing a recess and proposing another full-dress, open meeting. The Allies have agreed.

The governments forming the United Nations coalition for the conduct of the fight against Communist aggression in Korea have for several weeks foreseen the possibility of a breakdown. They are reported to be fully prepared to meet with a united front whatever situation now develops.

So long as the secret negotiations continued at the request of the Communist representatives, there was hope here in the State and Defense departments that the Reds might be thinking over the three-point package deal which Gen. Matthew Ridgway, on instructions from Washington, had presented as the final minimum U.N. terms for a settlement.

Decisions by both sides to break off the closed sessions and make their respective positions public end that hope.

Such belief as there now is that an armistice still may be achieved rests on the theory that the Reds may be trying to determine how solidly the U.N. powers stand on their position.

Ridgway's declaration that they will not compromise their insistence on voluntary repatriation of prisoners of war from the Communist side is fully supported here and in other U.N. capitals. Official statements to that effect are expected to be made in the immediate future.

Secretary of State Acheson holds his regular weekly news conference at 10:30 a.m. today and some comment on the American attitude toward the new turn of events may be forthcoming at that time.

All available evidence here is that the United Nations do not plan to launch any big new offensive in Korea even if all armistice negotiation are broken off and hope for a truce has to be given up completely.

However, the Reds have used the months since the truce talks began to build up their forces in considerable strength. It is considered entirely possible that they may launch an offensive, trying once more to conquer the whole Korean peninsula.

Military men report Ridgway feels the U.N. forces hold the strongest possible position and will be able to do devastating damage to the Commuists if they attack.

One of the concerns of Washington policy-makers is popular reaction in this country and abroad to any general renewal of ground fighting. It is expected that in such an event there may be a swelling of demands for direct military action against Red China—something the American government and its Allies have strongly opposed so far.

FAREWELL TO LIBERTY—Deportees wave farewell to the Statue of Liberty, and their hopes for residence in the United States, as they are taken by cutter to an outward-bound ship for deportation. The group, most of whom are ship-jumping seamen, is part of the largest number of aliens deported in several years, according to Immigration and Naturalization Service.

Warplanes Continue To Rip Rail Lines

SEOUL, Korea (AP) — Allied warplanes ripped up two Red rail lines in 340 places yesterday and were back blasting them again today.

Fifth Air Force fighter-bombers opened 66 more gaps this morning in the stretch of main line north of Red Korea's capital, Pyongyang, broken in 170 places yesterday.

Another 170 cuts were reported by pilots from the carriers Valley Forge and Princeton. They worked over an 80 mile segment of the east coast railway, centered on Hamhung.

Planes and warships supported front line troops.

An Allied patrol fought for two hours early Wednesday with Chinese west of Chorwon on the western front. Other tank-supported raiders destroyed four Red bunkers near Kumhwa on the central front.

Thirteen other bunkers were reported closed by guns of the U.S. cruiser Manchester, supported by the destroyer Evans in round-the-clock bombardment of the eastern end of the battleline.

The Navy reported the American destroyer D. H. Fox used her motor whaleboat to capture three Red sampans and take 15 prisoners.

Car Passenger Hurt In Highway Mishap

Cars driven by Kenneth Wickersham, 27, of Augusta and John Wafler, 80, of RD 1, Beloit, collided at 4:20 p. m. Tuesday on the Valley Rd., between Sevakeen Lake and Damascus, causing considerable damage to each auto.

Muriel Wickersham, 26, a passenger in the Augusta man's car, sustained a laceration of the right knee and a back injury and was treated by a Damascus doctor.

Russia Seen Controlling Air In 2 Years

WASHINGTON (AP) — Air Force Gen. Hoyt S. Vandenberg told senators today that within two years Soviet Russia "will possess the means of launching against this country a long-range atomic attack."

"Unless effectively opposed and countered, this attack could neutralize our own ability to retaliate and at the same time could seriously cripple certain key centers of the industrial productivity upon which we depend for ultimate victory in war," the general said.

The Air Force commander joined othe Pentagon top brass and civilian secretaries in protesting house-approved slashes in defense spending during the next fiscal year, starting July 1.

The House voted to limit actual military spending in the new fiscal year to not more than 46 billion dollars, some six billion under present plans. Most of this would apply to the billions Congress has voted for defense in the past two or three years.

It also ordered a 4½ billion dollar slash in new funds asked.

Vandenberg's prepared testimony, to be delivered behind closed-doors of a Senate Appropriations Subcommittee considering new money bills for the Defense Department, was handed to reporters in advance.

Vanderberg's statement said that, while this country has been "stretching out and whittling down our air power," the Soviet Union has been building up and expanding her combat air forces.

By 1954, the Air Force head said "control of the air, with all that implies, will be within the grasp of the Soviet Union."

Youngstown Man Held For Traffic Death

SUMMERTON,S.C. (AP)—A coroner's jury yesterday recommended that Armando Anthony Calverone of Youngstown be held for grand jury action in connection with the traffic death of nine-year-old Mary Frances Lawson.

She was struck Monday by an automobile on U.S. Highway 15 near here after leaving a school bus. Calverone was headed south on a honeymoon with his bride of three days.

Some Merchants Disagree On Plan

COLUMBIANA—A special meeting of the Chamber of Commerce was held in the high school Monday evening in an effort to iron out differences among Columbiana merchants over the new plan of keeping open Friday evenings and closing Saturday evenings.

Some of the merchants stick to the old plan. Ballots received by Secretary William Yoder of the chamber were indecisive, and it was left to the president of the chamber, L. A. Way, Jr., to appoint a committee of three to represent each faction in an effort to reach an agreement.

The matter will be brought up again at the monthly meeting of the chamber Monday evening, May 19.

—:—

STUDENTS IN THE music department of the Columbiana schools presented the program at the meeting of the Kiwanis Club Monday evening. It included a piano duet by Judy Maurer and Ann Moorehead; bass clarinet solo by Naomi Boston; soprano solo, Janice Magill; trumpet solo, Frank Boston; clarinet solo, Balbina Zeigler; trombone solo, Joe Reeves.

Robert Barrow was appointed chairman of a group of Kiwanians to co-operate with a like group of Rotarians in distributing civil defense posters to Columbiana homes next Monday evening, Kiwanians taking the west side of town and Rotarians the east side. No program will be held next Monday evening because of this project.

REV. NORMAN E. NYGAARD of Lisbon, who led the anti-vice crusade in Steubenville, related some of his experiences to Columbiana Rotarians Monday evening.

Rev. Nygaard stressed that good municipal government starts at the grass roots in the selection of the right type of precinct committeemen and that voters should inform themselves as to the character of candidates for those positions.

Rev. W. S. Longsworth of the Methodist Church and C. A. Burbick, the two newest members, were formally inducted into the club. Visiting Rotarians were Donald Raver of Youngstown, and J. T. Darling, W. H. Matthews and Kenneth Harsh, of Salem.

R. C. Harrold of Leetonia was a guest of Elmer Detwiler Sr., and Rev. D. J. Voelm, new pastor of Grace Evangelical and Reformed Church, was a guest of Leo Holloway.

—:—

ENGINEERS FOR THE Tennessee Gas Transmission Co., which laid a 26-inch line across Fairfield Township, just south of here, two years ago, are making surveys for a second transmission line from the gas field in the Southwest.

Buffalo, N. Y., was the terminus of the first line, but it has not been learned what is the objective point of the new line.

It is understood that by a legal requirement gas transmission lines must be at least 100 feet apart, and in some cases the new survey is a mile from the present line.

But in this immediate vicinity both the first line and the new survey will cross the Charles Zellers farm, south of Columbiana. When the first line was laid in 1950, Columbiana was construction headquarters for 60 miles of the line, 30 miles each way.

—:—

IN CONNECTION WITH THE meeting of the Kindergarten Mothers Club in the home economics room of the high school at 8 tonight, a program of entertainment has been arranged to include a book review by Mrs. Willard Ferrall, a piano solo by Mrs. Robert Cline, and a reading by Mrs. George Hess. All mothers of children who will be of kindergarten age next fall are invited.

Tomorrow is spring clean-up day in Columbiana. Town trucks will haul away rubbish put in containers and placed along the curb or alley, beginning in the early morning.

The mother-daughter banquet of the Women's Society of Christian Service will be held in the Methodist Church dining room at 6 p.m. Thursday, when men of the church will serve as waiters.

—:—

THE COLUMBIANA branch of the Women's Christian Temperance Union will meet at the home of Mrs. Erma Barber, 126 S. Middle St. at 2 p.m. Thursday. Mrs. Gertrude Bowman will have charge of the program.

The Priscilla Circle of the Christian Church will meet at the home of Miss Esther Wilson in New Springfield Thursday evening. Mrs. Ralph Townsend will conduct devotions, and Mrs. Charles Herron will have charge of entertainment. Mrs. Thomas Sayres will be associate hostess.

The Women's Guild of Grace Evangelical and Reformed Church has changed the date of its mother-daughter banquet from Friday evening to 6:30 p.m. Thursday.

Hancock County, organized in 1820, is named for John Hancock, first president of the Revolutionary Congress.

Mayor's Receipts For April Total $1,382

The city's income from licenses, permits and fines during April totaled $1,382.35, Mayor Harry M. Vincent's monthly report reveals.

Of that figure, $663.60 was accumulated through city fines, $471.50, city-state; $160.45, licenses; $72.80, city costs and $14, building permits.

A-Bomb Blast Seen In Nevada

Flash Visible 250 Miles From Site

LAS VEGAS, Nev. (AP)—Detonation of an atomic bomb 75 miles away at Yucca Flat brilliantly lighted up the pre-dawn sky here today.

After the first flash of white light, which etched buildings here and the surrounding mountains, there was a golden glow in the sky, outlining clouds.

The flash came at 5:15 a. m., pacific daylight time.

Observers in Los Angeles, 250 miles away, reported seeing a "quick blink" in the sky to the northeast. It lasted but a fraction of a second.

No shock was felt here and there was no sound from the blast. A small atomic cloud was visible above the desert. It disappeared quickly.

Atomic Energy Commission aides had warned residents of St. George, Utah, 125 miles north of here, and of Caliente, Nev., 165 miles northeast, to be prepared for a shock from the A-blast.

AEC scientists expected to make vital comparisons between this test and the first five held at the Nevada site in early 1951. All of those shots were in the dark. Since then all explosions have come at dawn or later.

Dr.. Alvin C. Graves, test director, says a darkness explosion is easier to record photographically. This is important from the standpoint of scientific measurements.

Several of the 1951 predawn shots broke windows and cracked plaster in Las Vegas, 75 miles away. Some were seen in Los Angeles and San Francisco.

No troops were to see action in this test, the Army said. Another group of 1,500 soldiers is being readied, however, for an atomic maneuver sometime next week.

The explosion was the fifth in the spring series, the 17th at the proving grounds here and the 29th atomic blast, unofficially, by the United States.

Here's Sample Of Hungry Cadets

Lt. Col. Henry Boswell Jr., food service supervisor of the United States Military Academy at West Point, N.Y., urged us to sample the noon meal for the 2400 hungry cadets. The menu—stuffed pork tenderloin, hunter style, braised red cabbage, bread, yellow margarine, combination salad with French dressing, sweet mixed pickles, brown Betty pudding with hard sauce, coffee with light cream.

The pork tenderloin was beautifully seasoned and well browned. My wife, a cabbage fan, said the braised cabbage was even better than her own. That pudding, rich with apples and corn flakes and sauce, would have satisfied any man's son.

We stood in the spotless kitchens of Washington Hall (where the cadets eat) near the 20 roasting ovens, 12 ranges, broilers and deep fat fryers, all operated by gas. No odor arose from the battery of gas stoves, not a scrap of food was on the stainless steel work table, nor the kitchen workers, all civil servants, even though dinner for the army of young cadets was to be served in 20 minutes.

Beef is the "first demand" food of the boys. They get it once a day. The next favorite main dishes are Hungarian beef goulash, creamed chopped beef on toast and ham steak with pineapple.

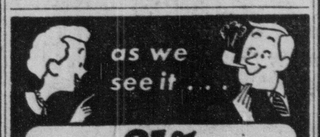

Telegraph Strikers, Company To Convene

WASHINGTON (AP)— Officials of Western Union and the AFL Commercial Telegraphers Union discuss their month-old strike today for the first time in weeks—at the invitation of the federal mediation and conciliation service.

Today's session was a tough one for mediation chief Cyrus S. Ching to arrange. Twice the company refused his invitation, saying the union, which represents an estimated 29,000 striking employes, had misrepresented the purpose of the meeting.

But yesterday company Vice President J. L. Wilcox wired Ching that "under the circumstances you leave us no choice in the matter and the company representatives will be there."

Wilcox said it is "abundantly apparent that the strike is rapidly collapsing" and that the company "respectfully questions the need for the assistance of the mediation service at this time."

Two Plead Guilty To Bribing Player

NEW YORK (AP)—A wealthy Pennsylvania shoe manufacturer and a Brooklyn man pleaded guilty today to charges of conspiring to bribe a New York University basketball player in an attempt to "fix" game scores for the benefit of gamblers.

The defendants were Daniel (Donato Lamorte) Lamont, 44, of Altoona, Pa., and Joseph Serota, 37, of Brooklyn.

Both men had been accused, along with former Long Island University cage star Jackie Goldsmith, in an indictment charging each with conspiracy and bribery.

But in special sessions court today, Lamont and Serato were permitted to plead to the conspiracy count to cover the entire indictment.

Goldsmith is to go on trial tomorrow.

TO NAME WATER BOARD

EAST LIVERPOOL—The municipal water system will be taken out of politics, city officials said today.

Complying with the recommendation of Mayor Arnold W. Devon and Safety-Service Director Lawrence S. Bloor, councilmen today enacted legislation creating a three-member board of public utilities.

If you are reconditioning your wicker furniturte, first scrub with thick warm soapsuds, working into the crevices with a stiff brush. Rinse with a fine spray of water and set in the sun to dry.

School Patrolmen To Tour Washington

Twenty-five members of School Safety Patrols in Columbiana County will participate in the AAA 16th annual school safety patrol parade in Washington Saturday.

The Columbiana County delegation, accompanied by three supervisors and a registered nurse, will leave Thursday morning by chartered bus. The trip will cover a tour of Gettysburg enroute to Washington and two days of sightseeing in the capital.

Salem will have three representatives, James R. Fisher Jr., selected from St. Paul Patrol, and Richard Coppock and Chappy Smith from the Junior High School.

School patrolmen attending from Leetonia will be Paul E. Morris, Charles C. Nicolette and John W. Roose. From Columbiana — Virginia Beiling and Heather Haney; East Palestine—Mino Soldo, Billy Harding and Bucky Baumgarner.

R. W. Campbell, the Columbiana County Motor Club director of service, will accompany the delegation which is sponsored by the PTA, civic groups and the Automobile Club.

Returned Bond Jumper On Trial For Larceny

After a delay of six months Ralph Neopolitan of Struthers finally went on trial today in Common Pleas Court at Lisbon on a charge of grand larceny.

Neopolitan, 21, was indicted by the September grand jury for allegedly carrying a waste paper basket containing $1,015 from the Mike Turk farm implement sales agency on Route 30, near East Liverpool, last July 30.

Employes thought he was a new janitor. He pleaded innocent when arraigned last Oct. 4 and was released on bond but failed to appear for his trial Oct. 30. He was later found in California and returned March 25. A jury was expected to be impaneled about noon today, with Judge Joel H. Sharp presiding.

Congress Committee To Hear Anthrax Talk

WASHINGTON (AP)—A recent outbreak of anthrax in Ohio, Illinois and Indiana may be discussed tomorrow at a House Agriculture Committee hearing.

Chairman Cooley (D-NC) announced today that Agriculture Secretary Brannan, Dr. B. T. Simms, chief of the Bureau of Animal Industry, and other department representatives will testify then on a number of matters.

He said he has asked the secretary to be prepared to talk about the livestock disease outbreak in the midwest.

Anthrax broke out over a large part of Ohio, where it mostly affected hogs.

One scientific theory is that this outbreak stemmed from infected imports of bone meal used to feed hogs.

Committee Begins Foreign Aid Study

WASHINGTON (AP) — The House Foreign Affairs Committee started final consideration of the foreign aid program today after cutting more than one billion dollars from funds earmarked for Europe.

The committe approved a total reduction of $1,010,900,000 or 12.8 per cent of the $7,900,000,000 which President Truman requested.

The cut paralleled a one billion dollar slash made by the Senate Foreign Affairs Committee. But the House group confined its cuts to Europe, instead of distributing them throughout the global program.

Four Vehicles Damaged, Driver Hurt In Mishap

One person was slightly injured and four vehicles were damaged in a traffic mishap which occurred at 8:35 a. m. Tuesday on W. State St.

A car driven by William Scragg of Sharon struck the rear of a Natural Gas Co. truck operated by Warren Hessler of MC 1, Salem which stopped on the street behind two other vehicles. The truck was pushed into the rear of another Natural Gas Co. truck driven by Herman P. Rufener of Hanoverton which then hit the rear of a car operated by Ferne I. Jackson of 231 W. Seventh St.

Rufener complained of a neck injury and was treated at the Central Clinic.

Both trucks and the Jackson auto were damaged and the front end of the Scragg car was demolished.

Steve Gromek Shuts Out Yanks With Four Hits, Wins, 1-0

Garcia, Raschi On Mound Today

Three Second Inning Singles Decide Game

NEW YORK (AP)—Steve Gromek, 32-year-old righthander from Hamtramck, Mich., qualifies as a Yankee killer for the Cleveland Indians.

The veteran righty, considered a second stringer on the Indian mound staff, pitched a nifty 1-0 four-hitter in beating the Yanks and Allie Reynolds last night for the third time.

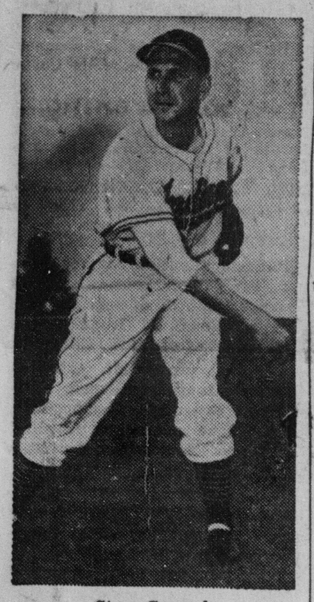

The last time Gromek started against the Yanks in Yankee Stadium, May 19, 1948, he trimmed the Bombers, 3-2. The time before that—in Cleveland in 1948—he downed the Yanks, 2-1.

—:—

GROMEK'S SHUTOUT was the first time a Cleveland pitcher has blanked the Yanks since Bob Feller's no-hitter in April, 1946.

Steve not only handcuffed the Yanks with four singles but had the crowd of 35,914 limp at the finish when he retired the last three batters with the potential tying run on base.

The second string Indian starter write finis to his spectacular triumph by striking out Gene Woodling on three pitches. This is the same Woodling who hit five home runs against the Indians last year, each contributing to a victory. And this is the same Yankee team that defeateed the Tribe 10 times in 11 meetings at Yankee Stadium last year. Moreover, in beating Reynolds, he whipped a pitcher who thrashed the Indians five times last

Steve Gromek

year, three times on shutouts, twice by a 1-0 score and once via no-hitter.

"Credit the sinker I developed during spring training," Gromek said afterwards. "I had them off stride. My new sinker was working fine in the beginning and when they began to look for it, I switched to my fast ball which was 'alive.' It was breaking up and away."

—:—

THE INDIANS' tally off Reynolds came in the second inning. It was scored on singles by Dale Mitchell, Ray Boone and Birdie Tebbetts. Mitchell's hit was his first of fthe Yankee righthander sin 19949. Cleveland's triumph, in the first clash of the season between the two leading contenders for the American League flag, kejt the Indians within one game of the first place Boston Red Sox, who trounced the Chicago White Sox, 11-2.

Mike Garcia, who has a 2-2 record, will tangle with the Yankees' Vic Raschi (2-1) in today's meeting. In the finale tomorrow will be Ed Lopat against the Tribe's ace, Bob Feller.

Larry Doby rejoined the Indians yesterday and would have played if an early evening shower hadn't left the field slippery.

Doby, troubled with a pain in his groin and recurring trouble with pulled leg muscles, underwent a complete physical examination in Cleveland Monday and was pronounced okay.

He said he felt reassured now that he knows nothing is basically wrong with himself.

John Votaw Unbeaten With Heidelberg College

John Votaw, son of Mrs. Jane Votaw of 1082 N. Ellsworth Ave., is the only undefeated Heidelberg College trackman in four meets after successfully winning the pole vault at 10' 6" Saturday against Wittenberg College.

Votaw, a graduate of Salem High School where he also was a pole vaulter as well as a quarter miler, was hard pressed in a recent meet with the Mount Union Purple Raiders but managed to go over the bar at 11' and remain unbeaten.

Liberalized Fishing Sometimes Pays Off

One of the trickiest reverse plays in the game of fish management has apparently paid off, because Ohio has thrown all waters open to "liberalized" fishing.

You still need a license, but there's no closed season, no legal length and no bag limit. The only areas closed to fishing are state hatcheries, certain bathing beaches, and a few small fish sanctuaries.

It took 15 years of fact finding to liberalize the first lake, but in 1950 they opened 100 lakes to un-

restricted fishing, and the result was a jolt—under maximum fishing pressure none of the ponds showed more than the normal dent in their fish populations.

Ohio figures about 25 per cent of the big breeder fish put out in the past 20 years have been snaffled by lucky Waltonians.

—:—

HOW NOT to lose bass? Stop using dull hooks. According to a recent survey, 90 per cent of the anglers fishing for bass today are using such blunted hooks that a terrific shock is needed to penetrate the bone and gristle in a bass' choppers.

Even a strong arm pull isn't good insurance, because the fish is moving fast and hitting the bait at an angle. I would suggest a small carbonundum stone or an Arkansas stone as regular equipment; just wipe the stone along the barb toward the hook point each time you go fishing.

The point should be needle sharp so that it sinks in with an easy tightening of the line.

—:—

BLUEGILLS ARE very smart fish. Did you ever watch a school of them in the water? A trout or pike would rush away the instant an angler came in view, but not the bluegill.

Most folks think the fish have had bad optics because they go about their business in plain sight, but actually they can read the label on your boots. You're just getting a cold shoulder. If you become a nuisance the school will drift away, but otherwise the bluegill will keep one eye on you and one on his lunch.

This usually frustrates the beginner, who may spend hours flipping baits at them, under the delusion that he hasn't been spotted. The only way to fool 'em is to fish some place else for an hour or two, then sneak back to a spot where you can drift your bait toward the school . . . . without a n y bluegill seeing you.

Track, Baseball, Tennis, Golf Finals Scheduled May 23, 24

By FRITZ HOWELL

COLUMBUS (AP)—Golf balls, baseballs, tennis balls and spiked shoes are flying all over Ohio these days.

Some 35,000 schoolboy athletes are putting the finishing touches on their training for the annual high school four-ply spring sports carnival scheduled May 23-24 at Ohio State University's athletic plant.

Only the best of the boys will reach the state classic, through qualifying tests May 17 on a score of fronts.

Baseball, with 898 teams in the field, whittled down the list to some extent in last week's preliminaries, and does some more paring Saturday. From this week's meets, 16 teams in both Class A and Class B will go into the regionals May 17 at Columbus, Bridgeport, Cleveland, Kent, Findlay, Cincinnati and Dayton.

Four from each class will survive for the state finals, in which Cincinnati Western Hills won the 1951 Class A championship, and Lima St. Rose the Class B crown.

Track boasts 664 teams, golf 139 and tennis 90.

Cincinnati Central Vocational won the Class A track meet last year by one-fifth of a point over Cleveland East Tech, Poland copping the Class B title. The defending golf champion is Circleville, which won by five strokes over Dayton Fairmont.

Dick Klitch of Portsmouth won the 1951 tennis singles, and the doubles went to Fritz Haring and Bill Beale of Mansfield.

Most of the track tuneups this spring have come in the various relays meets, topped by those at Mansfield and Ohio Wesleyan, while the baseball, golf and tennis hopefuls have sharpened their skills in dual meets.

In the May 17 district track meets, those attracting from two to 14 teams will qualify the first and second placers in each event for the state finals; those with 15 to 20 teams will qualify the first three, and meets with more than 20 participating teams will qualify the first four.

Last year 102 Class A and 108 Class B schools had track representatives in the state championship events, and this year's setup is expected to be about the same. Scoring will be on a 6-4-3-2-1 basis.

Play in the state tennis, baseball and golf state tournaments starts Friday afternoon, May 23, at which time preliminaries in track are scheduled for both classes in the 120-yard high hurdles, 100-yard dash, half-mile relay, 440-yard run, 180-yard low hurdles and the 220-yard dash. In addition, Class B will run off the finals in the pole vault and broad jump Friday afternoon for the first time in history.

The Class A broad jump, Class B high jump, and the shot and discus events in both classes are slated Saturday morning, with the remainder of the competitions in the afternoon when the golf, tennis and baseball will wind up.

Davey Favored Over Vejar In Bout Tonight

CHICAGO (AP)—Professional boxing's big time will be waiting offcanvas tonight for the winner of the 10-round Chicago Stadium bout between young and lusty Chico Vejar and studious Chuck Davey.

The victor of this rare match featuring two college men has been promised a shot at Kid Gavilan's welterweight championship. This would be an exceedingly rewarding venture judging by the way the Vejar-Davey fight has caught on here.

Promoters are predicting a turnout of 10,000 fans and a gate of more than $40,000, not including proceeds derived from sale of radio and television rights. The bout will be broadcast and televised nationally at 10 p. m. (DST).

Oddsmakers have favored Davey since the match was announced. Early figures ranged up to 2-1. Now they're about 6-5.

SUSPENSION LIFTED

CLEVELAND (AP)—The District Professional Golfers Association has lifted its suspension of Jim Caspio, Cleveland district amateur champion. The suspension, in connection with a clubhouse crap game, barred him from participating in tournaments sponsored by the PGA.

Tribe Whips Yankees; Remains Game Behind Red Sox; Cards Break Giants' Winning Streak

(By The Associated Press)

Steve Gromek qualifies as a Yankee killer for the Cleveland Indians.

The veteran right hander, considered a second stringer on the Indian mound staff, pitched a neat 1-0 four-hitter in beating the Yanks and Allie Reynolds last night.

Steve not only handcuffed the Yanks with four singles but had the crowd of 35,914 limp at the finish when he retired the last three batters with the potential tying run on base.

The Indians' tally off Reynolds came in the second inning. It was scored on singles by Dale Mitchell, Ray Boone and Birdie Tebbetts. Cleveland's triumph, in the first clash of the season between the two leading contenders for the American League flag, kept the Indians within one game of the first place Boston Red Sox, who trounced the Chicago White Sox, 11-2.

—:—

A PAIR OF HOMERS by Clyde Vollmzr and another by Walter Dropo made it easy for Red Sox Righthander Willard Nixon to register his first triumph.

Conrado Marrero pitched the third place Washington Senators to their fifth straight victory with a 5-2 win over Detroit. Again Jackie Jensen and Archie Wilson, obtained frm the Yankees last Saturday, were the big guns on attack for the Nats. Jensen doubled, drove in a run. stole a base and scored twice. Wilson hit a single and triple, scored once and batted in a run.

Duane Pillette pitched the St. Louis Browns back into the winning column with a 5-1 triumph over the Philadelphia Athletics as Marty Marion and Clint Courtney each hit homers.

—:—

BROOKLYN'S DODGERS moved past New York's Giants into first place in the National League with a tenth inning 5-4 victory over the Cincinnati Reds. Andy Pafko scored the winning run in the tenth as he tripled off Ken Raffensberger and scored on a fly by Carl Furillo.

Teeing off on former Teammate Max Lanier and a parade of five additional hurlers for 15 hits, Eddie Stanky's St. Louis Cardinals snapped the Giants' seven-game winning streak with a 9-4 triumph.

Robin Roberts hurled a brilliant two-hitter as the Philadelphia Phils snapped a four-game losing streak with a 6-0 victory over Pittsburgh.

Johnny Klippstein pitched the Chicago Cubs to a three-hit 2-0 shutout over the Boston Braves in the only game played in daylight.

Robinson, Maxim To Sign Contracts For June Bout

NEW YORK (AP)—Middleweight Champ Sugar Ray Robinson and Light Heavy Champ Joe Maxim were due to sign official contract at the New York State Athletic Commission today for their June 23 Yankee Stadium match for the 175-pound title.

The International Boxing Club announced yesterday the fighters agreed to an even 30-30 percentage split of the gate for both the June fight and a rematch in 90 days, if Robinson wins.

Robinson said he would weigh 158 for the fight. Maxim expects to be just under the 175-pound class limit.

Yankee outfielder Hank Bauer, a hero in the final 1951 World Series game, hit his last home run of 1951 in Shibe Park and his first homer of the 1952 campaign in the same ball park.

Horace Gillom of the Cleveland Browns led the National Football League in punting last season with a 45.5 yard average in 73 attempts.

In 63 years of football competition, the Notre Dame gridders have won 399 games, lost 83 and tied 32.

Rev. Miron Benchia of 12 Echo Terrace, Wheeling, W. Va., who has served as pastor of St. John Evangelical Romanian Church here for five years, died suddenly of a heart attack last Thursday, friends here have been informed.

Besides serving the church here, Rev. Benchia also was pastor of two other churches in Wheeling. He leaves his wife, two sons, a daughter and six grandchildren.

A group from the Salem church attended the funeral Monday in Wheeling.

Mrs. Harry I. Coburn

Mrs. Myrtle Jane Coburn, 62, died at her home on the Albany Rd. at 3 p.m. Tuesday of complications following a nine-months' illness.

She was born Nov. 9, 1889 in Slate Lick, Armstrong County, Pa., a daughter of James B. and Catherine Steppe Rea. She married Harry I. Coburn Sept. 2, 1908.

A resident of this area for 36 years, she came here from Portage County. She was a member of the First Friends Church and the Greenford Grange.

Besides her husband, she leaves two sons, Raymond E. of Canfield and Wilbur L. of Chicago, and four grandchildren.

Survivors also include three sisters, Mrs. John McConner and Mrs. Margaret Somerville of Salem and Mrs. Edwin Walker of Atwater, and three brothers, James, Samuel and Edward Rea, all of Salem.

Funeral services will be held at 2 p.m. Friday at the First Friends Church, with Rev. Harold B. Winn officiating. Interment will be in Hope Cemetery.

Friends may call at the Arbaugh-Pearce funeral home Thursday evening.

vention votes thus far accumulated. Evidently including most of Ohio's 56, he said he now has 401 votes, Eisenhower 271.

An Associated Press tabulation, including the 18 sure votes in Ohio, credited Taft with 332 and gave Eisenhower 281.

Republicans gave all of their delegates a full vote, but Democrats picked 16 at-large representatives with only a half-vote each and named 46 district delegates with a full vote each.

The three and one-half to one vote victory of Taft's 10-vote at large slate gave David S. Ingalls, his national campaign manager, a delegate seat at the Chicago convention.

At noon the score read: Republican presidential delegates at large elected: Taft 10, Stassen none. District delegates elected Taft 46, Stassen none. (Eight additional Taft district delegates elected without opposition.

Democratic presidential delegates-at-large elected: Kefauver eight, Bulkley none (eight at-large candidates for Bulkley elected without opposition). District delegates elected Bulkley one, Kefauver 13, leading Bulkley four, Kefauver nine. (Eighteen additional Bulkley and one additional Kefauver district delegate candidates elected without opposition).

Big Build-Up—

How armed services personnel have increased in numbers since the Korean war began is shown by Newscharts above and below. Active duty military personnel, above, totaled 1,543,000 in 1950, are expected to number 3,639,000 in 1953. Total number of civilian personnel with the armed services, below, is expected to reach 1,300,000 during 1953. There were 706,149 civilians in the various departments of Army, Air Force, and Navy in June, 1950. Data is from Council of State Chambers of Commerce.

Robb Joins American League Umpire Staff

CHICAGO (AP) — Douglas W. "Scotty" Robb, who resigned as a National League umpire Monday, has agreed to join the American League's staff of umpires.

President Will Harridge of the American League announced today that Robb will begin his umpiring service next Tuesday.

Harridge got into contact with Bobb this morning at Robb's home at Cedar Grove, N. J. Harridge previously talked with President Warren Giles of the National League, and ascertained that Robb was a free agent and could sign a contract with the American League.

Robb had been a National League umpire since August, 1947.

Harridge, Giles and Robb did not go into any details concerning the reasons why Robb quit his National League job.

Robb was accused of pushing Manager Eddie Stanky of the St. Louis Cardinals during a game in Cincinnati April 22.

At a subsequent hearing, Giles disciplined Robb and fined him an undisclosed sum. Stanky was fined $50. Solly Hemus, Cardinal shortstop who started the altercation by tossing his bat away when he was called out on strikes, was fined $25.

Giles said the Robb fine was a "sizable amount and much greater than the combined fines of the players."

Covered welting can be used where seams occur on top and at the edge of the drop. Quilted chintz is especially good for these spreads and matching or contrasting colored welting is available in your local drapery trimming department.

Renovated White House

Here are some of the first pictures of the interior of the now completely renovated White House, made since President Truman and his family moved back in from their temporary quarters in Blair House. Below is the "new look" of the famous Green Room, so called from its green and gold decorative scheme. Dominating the new furnishings is the great seal of the President of the United States in the specially woven rug. At left, top, is the "something new" that has been added to the White House. It is the spacious, window-walled solarium installed on the top floor. At left, below, is the President's second floor study.

N. Waterford Backs Hunston; 74 Votes Cast

NEW WATERFORD—Walter A. Hunston polled 27 Republican votes to 17 for his nearest rival, Norman Wright, for Columbiana County commissioner in Tuesday's voting.

Seventy-four ballots were cast—52 Republican and 22 Democratic.

In the Democratic race for county commissioner Erwood L. Calvin received nine votes to eight for R. W. Huffman and three for C. C. Leatherberry.

On the Republican ballot Delmar T. O'Hara trailed Clarence L. Robinson for state representative by a 27-15 count. Democrats Guy J. Mauro and Hugo Alexander tied with eight votes each for district delegate to the national convention, with W. V. Frazier Jr. getting one.

Clarence L. Wetzel got 30 votes to seven and six for Ed Griffith and Norman E. Nygaard respectively in the Republican balloting for Congress.

The Republican gubernatorial race saw Charles P. Taft get 22 vootes and Thomas J. Herbert 17. No votes were cast for Roscoe R. Walcutt. Frank J. Lausche, who ran unopposed on the Democratic ticket for governor, polled 16 votes.

Henry Keck collected 16 votes as a write-in-candidate for central committeeman on the Democratic ballot. On the GOP ticket the following candidates received write-in votes. Frank Springer, one, for probate judge; William E. Ferguson, one, and Vincent Judge, two, for county treasurer; and William E. Ferguson, 31, for central committeeman.

Harry L. Gosney, without opposition on the Democratic slate for sheriff, received 12 votes but Republican incumbent Howard J. Clark got one write-in vote. Clark polled 40 votes in the GOP race for sheriff, his two opponents getting a combined total of six.

In the GOP clerk of courts contest John W. Coleman was ahead of Norman E. Ward 22 to 17.

GREEN CROSS FOR SAFETY

HIGHWAY SAFETY INTER-INDUSTRY COMMITTEE

1 ONE OUT OF THREE automobiles has one or more safety defects. These defects can—and often do—cause accidents.

2 With the Chevrolet "Safe-T-Way" Program the points of possible failure in your car are expertly inspected by specially trained mechanics.

3 THESE INSPECTIONS are made regularly . . . each time you bring in your car . . . without cost in time, trouble or money to you. This assures maximum safety to you, to your family, to your car.

4 YOUR CAR, as a result, is *always* in top mechanical condition to give utmost protection to you and your family.

5 FURTHERMORE, this constant service check of your car enables us to give the highest possible allowance when you buy another.

6 WITH THIS year-round "Safe-T-Way" Program you not only help protect your car, yourself and your family . . . you also help reduce the accident rate in our community. This in turn will foster lower premiums for automobile insurance in this area.

7 FREE! You enjoy all the benefits of this entire program at no charge. We supply the trained inspectors—without cost or obligation to you!

8 AND ALL YOU DO is bring your car to our Service Department. Just tell our friendly Chief Inspector you wish to participate in the Chevrolet "Safe-T-Way" Program. We suggest you act at the earliest possible opportunity to protect yourself, your family and your car. Remember, good drivers drive safe cars.

The Salem News. May 7, 14, 21, 1952.

FOR SALE IMMEDIATE POSSESSION

To settle the estate of the late Mrs. Sallie S. Blackburn, I will offer at private sale, but to the highest bidder, the residence property at 688 South Lincoln Ave., Salem, Ohio. House has 8 rooms and finished attic. A gas fired steam furnace is in good condition. Large brick barn at rear can be made into an excellent 2 or 3 car garage. Lot is approximately 100 by 400 and contains about one acre.

Sealed bids will be received until 2:00 p.m., Saturday, May 17, 1952, when they will be opened in presence of bidders at the office of Metzger, McCorkhill & Metzger, 511 East State St., Salem, Ohio, over the Penney Store. An opportunity will be given to amend bids or submit original bids at that time.

The successful bidder must deposit $2,750.00 to bind the sale until abstract and deed can be delivered, when the balance of the purchase price will be due. The right is reserved to reject any and all bids.

NOTICE OF SALE OF BONDS

Sealed bids will be received by the Goshen Union Local School District at the office (and residence) of the Clerk, Damascus, Mahoning and Columbiana Counties, Ohio, until 12 o'clock noon, EDST, May 28, 1952, at which time they will be publicly opened and read, for the purchase of coupon bonds at net less than par and accrued interest in the aggregate amount of $173,000.00 dated the first day of June 1952. Such bonds shall bear interest at the rate of 3% per annum, payable semi-annually on the first day of June and December of each year, beginning on the first day of June, 1953.

Provided however, that bids for said bonds may be made for a different rate of interest in multiples of ¼ of 1%. Said bonds are issued for the purpose of erecting and equipping additional class rooms and under the authority of the laws of Ohio, particularly the Uniform Bond Act, and in accordance with a certain resolution authorizing said bonds, passed May 5, 1952. Said bonds were voted Nov. 6, 1951 and are payable from unlimited taxes.

Said bonds shall be numbered from 1 to 173 inclusive, shall be in the denomination of $1000.00 each and shall be due and payable as follows: $7,000.00 each December 1, 1953 to 1963 and $8,000.00 1964 to 1975 inclusive.

Both bonds and interest will be payable at the legal depositary—presently the First National Bank, Salem, Ohio. Each bid must be accompanied by a certified check payable to the Goshen Union Local School District for not less than 1% of the amount of the bonds herein offered, said check to be forfeited as liquidated damages in the event of default on the part of the bidder. All bids will be considered and an award made at 7:30 P. M. EDST, May 28, 1952; provided however, that the right is reserved to reject any and all bids.

A transcript of proceedings evidencing the legality thereof and the printed bonds will be furnished promptly. Bond attorney's opinion at option and expense of purchaser. Bids should be sealed and endorsed "Bid for School Bonds." May 7, 1952.

MYRON A. WEST, Clerk.

STOP TIRE SABOTAGE
You may cut your driving in half but you can still waste tires.
So before you start your spring and summer driving, come in for an inspection. Mis-aligned and unbalanced wheels pound and scuff away precious tire rubber.
Don't let these two conditions rob you of tire wear.
Have your alignment and wheel balance checked today.
